April: Golden Alexander, Bee Balm

May: Bee Balm, Purple Coneflower, Black-eyed Susan

June: Purple Coneflower, Black-eyed Susan

July: Blue Mistflower, Goldenrod

August: New England Aster, Goldenrod

September: New England Aster

Care Tips & Spacing Guidelines

- Water deeply 2-3 times per week during dry spells.
- Avoid pesticides to protect pollinators.
- Deadhead spent blooms to encourage new growth.
- Group plants by bloom time for seasonal color.
- Allow space: 12"-18" spacing depending on plant size.

- Add mulch to retain moisture and reduce weeds.
- Leave some bare soil for ground-nesting bees.
